About Rushil Décor Ltd.

Rushil Décor Ltd. is one of the leading companies in Laminate and MDF panel boards industry in India with a global footprint across 51+ countries. Founded in 1993, we have been able to find a strong and loyal customer base because of our commitment to excellence and passion to bring to life designs that are elegant, timeless and class-apart.

A global leader in smarter living solutions, RDL leverages modern technology, next-generation innovation and a people-first, purposeful approach. Rushil Décor is passionate about setting new industry standards and superior experiences, ensuring high productivity. The company has five state-of-the-art manufacturing plants with an annual capacity of 3,30,000 CBM MDF and 3.49 million Laminates.

Our Vision:

Nurturing healthier lives for people globally, we responsibly manage innovative functional solutions and sustainable growth, driven by next-generation technologies to transform the local communities, nations and the planet.

Our Values:

- **Social Responsibility:** Shape a better world and help people lead smarter lives.
- **Trust:** Treat others as we want us to be treated.
- **Nurturing Smart Living:** Build innovative functional products that comply with global standards and certifications.
- **Leading Responsible Growth:** Committed to accelerating growth through a responsible approach to resources.
- **Supporting Circular Economy:** Use large quantities of recycled natural resources in production and give a second life to nature.
- **Make in India for the World:** RDL is passionate about making the firm a national asset, through agroforestry, creation of jobs, rural uplift, sustainable livelihood and smart living.

Our Product Portfolio:

- Laminates
- Exterior Laminates

VIR Traceless

Transform your Interiors with VIR Traceless laminates that give an elegant look to the interiors and leave them spotlessly clean. The timeless designs, with almost zero-reflection matt finish, VIR Traceless will leave a mark on your mind and heart but allow no mark on the furniture. Apart from being fingerprint resistant, it is scratch proof too.

- Anti Finger print technology
- Smooth, silky finish
- Minimal light reflection
- Water repellent
- No smears and smudges

VIR Unicolor

VIR Unicolor is a single-coloured laminate made with layered decorative papers of the same colour throughout the thickness of the laminate so as to avoid dark colour seams which appear on the edges / joints.

- Even and consistent look
- Highly durable
- Specialised product
- No dark edges

VIR Post Forming Laminates

VIR Post forming laminates are specifically created laminates that have bendability in addition to having all of the qualities of standard grade high pressure laminates. They can be bent into simple cylindrical concave or convex curves. The laminate that is slightly thinner and more flexible than standard laminate.

- Enhanced flexibility and malleability
- Prevents water seepage

Digital Laminates

VIR Digital Laminates are tailored to perfection as per the customer's choice of design or image. Since these are customized, the production of VIR Digital laminates need an approved disclaimer from the customer. The customer can choose to customise the design by selecting from a range of ready designs as well.

VIR Ext-Lam (Exterior Grade Laminate)

VIR Exterior Grade Laminates are specifically designed and manufactured for external wall cladding to provide greater strength while also providing creative colour and design options. Designed to withstand constant exposure to ultraviolet rays and atmospheric pressure, VIR Exterior grade laminates stay colourful and vibrant for years.

At Rushil Décor, we believe every outdoor space can be aesthetically appealing and also be transformed to suit our customers' need for creating luxurious, vibrant and functional outdoor spaces. VIR Ext-Lam range is made to endure the rigors of the harsh outdoors, giving you years of luxury, comfort and most importantly durability.

- Meets European Standard
- Easy to install and maintain
- High durability
- Moisture resistant
- All-weather proof
- Impact resistant
- Opulent designs

Applications:

Wall Cladding | Partition Walls | Railings | Front Gates and Doors | Balconies | Residential & Commercial
Application Ceiling/Roofing | Outdoor Furniture | Park Benches

Available Thickness:

6 mm (Customized thickness on demand only up to 15 mm)

Available Size:

8 ft x 4 ft (2440 mm x 1220 mm) | 10 ft x 4 ft (3050 mm x 1220 mm)

VIR PRO (Interior Grade) MDF

VIR PRO MDF, the new-age wood is a great alternative to solid wood, particle board and plywood as it is extremely cost-effective. Unmatched international standard quality, performance, durability and aesthetics make VIR MDF the preferred material of choice of OEM'S, SCP'S and conventional wood furniture manufacturers across the world. A revolutionary product that meets the evolving demands of modern-day consumers - it is versatile, strong, durable and beautiful.

- Easy machinability • Chipping-free edges • Easy to carve or mould • Uniform and high density
- Ultra-smooth • Resistant to adverse environment and pests • Paint, veneer and laminate friendly

Available Thickness *:

2 mm | 3.3 mm | 4 mm | 4.3 mm | 4.6 mm | 5.5 mm | 7 mm | 7.3 mm | 9.75 mm | 11 mm | 14.5 mm | 16 mm | 16.5 mm | 18 mm | 25 mm

VIR PROPLUS (Exterior Grade) MDF

VIR PROPLUS MDF is bonded under high pressure using thermosetting resins that are suitable for high-humidity environments. It is high on strength and durability, making it ideal for prefinished portioning applications. VIR PROPLUS MDF is resistant to external forces and its moisture-resistant panel has been treated to prevent fungus and termite infestations. It is environmentally benign and contains low amounts of formaldehyde, ensuring your family's safety.

- Steady and uniform structure • High density • No knots • Inability to splinter • Flawless surface

Applications:

Residential & Commercial Furniture | Wall Panelling | Modular Kitchen | Architectural Mouldings
Industrial Products | Sport Goods | Display Cabinets | CNC Routing | Office Equipment
Doors and Partitions | Cornice | Pelmet and more
